

**The S7HD brings Ultra Hi-Definition Sound to your boat!**

The Samson Sports sound quality, form factor, power handling and fit and finish are un-matched by anything available on the market today. The patented "quick release" clamping system allows a full 360 degrees of rotation and fits virtually any boat tower.

Need to know if the Samson Sports S7HD fits your boat? Check the list below to see what application fits your boat the best.

## FIT GUIDE

R1 10.09

		 Standard Clamp <small>included in the box</small>	 Cast Tower Bracket <small>included in the box</small>	 MasterCraft Bracket <small>optional - not included in the box</small>

## Power Ratings

**250W**  RMS

**500W**  PEAK

## What Comes in the Box

2 HD Tower Speakers  
2 Quick disconnect clamps  
2 Direct fit brackets  
(located on the bottom part of clamp device)  
2 neoprene wetsuit sock zipped storage bags  
1 Owner's manual

*"I got the S7HD tower speakers installed and we were out on the water both days over the weekend. Had them paired up with the [edited]80's that I have and there is a big difference between the two.*

***The S7HD's give you a much cleaner brighter sound that is able to be heard easily in the boat and for the rider. They give a better range of sound then the [edited]80's as well."***
